## **NOMINATING COMMITTEE PROGRESS REPORT**

This is the first of many progress reports from the PNC that you will be seeing over the coming months as we begin our search for a new pastor. We have met four times and have started filling out the Ministry Information Form (MIF). This is basically our church resume' which incorporates the information collected from the congregation last spring and summarized in the Mission Report. After it is approved by the Session and the Committee on Ministry, it will be posted on the CLC (Church Leadership Connection) web-site. This is a "matching" program used by the Presbyterian church that enables ministers looking for a new position to view our resume' and in turn we can view theirs. We will keep you updated as we go along. Please keep us in prayers.

# FROM PASTOR BARKER

## The Presbytery Disaster Assistance

The Presbytery Disaster Assistance ministry will meet with interested churches to determine the needs and interest in training for future disasters in which churches may help.

This Saturday, August 10, I plan to leave from the church at 12:30 pm to head to Jefferson Presbyterian Church, for those interested in attending.

Christ's peace,

Rev. Dr. Jonathan Barker

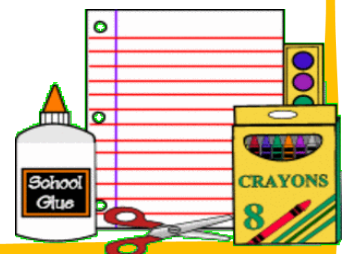

## PRESBYTERIAN WOMEN

### It's time to collect for School Supplies for Alice Birney Elementary!

This is an important mission project of our Presbyterian Women. Rather than purchase supplies at regular prices, we purchase them during the back-to-school "super sales", and deliver them in December, when their school supplies start running out. The teachers are very appreciative! Your donation is needed. Please indicate on an envelope or in the memo section of your check for "PW Schl Supply"

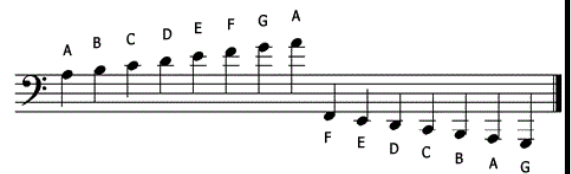

# THE ASHLEY CODE PROJECT

## *Special Piano Recital*

Terry Liberto's annual Summer Piano Recital at John Calvin will honor her former student, Ashley Code. Ashley passed away from brain cancer at 17 years old. In her memory, **THE ASHLEY CODE PROJECT** has been created to raise funding for pediatric brain cancer research and care, in partnership with the LSU Brain Tumor Initiative.

The recital is scheduled for *Saturday, August 24, at 10 a.m.*

**Tickets are \$5.00.** Donations may be made by mail to:

**THE ASHLEY CODE PROJECT, P.O. BOX 24085, NEW ORLEANS, LA 70184,**

or presented at any **CAPITAL ONE BANK**

For more information or tickets, please see:

Richard Britson or Eleanor Henneman.

For more detail, check the Bulletin Board in the Narthex

**Raising funds for Pediatric Brain Cancer Research & Care in New Orleans**

**DOOR PRIZES, BAKE SALE, RAFFLES**

Ashley Marie Code was born on September 15, 1998 and grew up in Metairie, Louisiana with her parents, Michael and Cassi, and her younger siblings, Jonathan, Katie, and Andrew. She attended St. Ann School in Metairie prior to her time at Mount Carmel Academy. Ashley chose to make a difference in the world by greeting everyone with a smile, and her legacy will live on through her family, friends, and this organization.

The Ashley Code Project is a non-profit organization created with the purpose of helping to fulfill Ashley's dream of finding a cure for cancer by raising funds for pediatric brain cancer research and treatment in the New Orleans area. Ashley passed on September 1, 2016.
