

John Calvin Presbyterian Church
Guidelines for Resuming Worship Services
(effective Sunday, May 17, 2020)

1. Those who are showing symptoms or not feeling well are asked to remain home. You may join us via the telecast by going to the church website, www.johncalvinchurch.org.
2. Masks are strongly suggested. Please bring your own, and if you have clean masks to donate, the church would appreciate it.
3. We will be using every other pew and worshippers must be six feet apart. Families who have been together during the crisis may sit together.
4. Congregational singing will be limited to hymns.
5. Offerings will be placed in baskets (or made digitally) rather than a plate being passed.
6. There will be no "Passing of the Peace," and worshippers are asked to refrain from handshakes and hugs. Appropriate greetings should take place outside and not in the building.
7. "Little Lambs" will be discontinued until further notice. Please keep your children with you throughout the worship service. (Don promises to preach short sermons!)
8. There will be no coffee service in the narthex.
9. All other church meetings and programs remain suspended until further notice. This includes the "Anonymous Groups."
